Honda Civic Sport Touring 2025

Welcome to Riverview Honda, your premier Honda dealership serving clients in Fredericton and all across New Brunswick with care, dedication, honesty, and professionalism. We are happy to welcome you to our new website. We are always available to answer your questions, help you find your next Honda vehicle, and assist you with service and maintenance. We have been in the business of selling Honda vehicles since 1975, while our motorcycle and Honda Power Equipment dealers have been around since 1967 and 1971 respectively. That's a long time to be in business in the automotive world and its certainly a testament to our core values and mission statement. That said, we never take it for granted and we treat every client as though we had just opened our doors for the first time. We want to make you feel at home at Riverview Honda and like you're doing business with a friend.
