DESCRIPTION

The 2026 Honda Pioneer 700 is the perfect blend of durability, versatility, and comfort ? built to handle hard work during the week and trail riding on the weekend. Powered by Honda's proven 675cc liquid-cooled engine, the Pioneer 700 delivers smooth, reliable performance. The automotive-style transmission offers both automatic and manual modes with paddle shifters, making it easy to adapt to any terrain. Electric Power Steering (EPS) ensures effortless handling, while selectable 4WD with differential lock provides confidence in mud, snow, and rough conditions. With a strong tilting cargo bed and up to 1,500 lb towing capacity, this machine is work-ready for the farm, acreage, hunting, or property maintenance ? yet compact and nimble enough for trail use.
